ABINGTON H.S.

For the Class of 1993, "Anything Goes." Each and every member of the class is unique, different and yes, a little bit strange. Yet almost everyone is accepted and liked for who he or she is. This year's seniors are more than your typical stereotypes, and since most of us have spent at least the last four years together, hopefully we have been able to see more than just a class clown, a bookworm, a cheerleader or a jock sitting in the seat next to us. Each senior is a person with feelings, special talents and diverse interests. The future holds trials, triumphs and heartaches, but if we can maintain those qualities that set us apart from others, then anything goes. Seniors, please hold your head up high and carry yourself with Greenwave pride.

I suppose that I should wish you success. Instead, I would rather wish you something that is harder to achieve — meaning in your life. Meaning is not something that comes to us in a haphazard manner. It is something that you build into your life. It is made up of your past, shared experiences, affections, and loyalties, and your own talent. Meaning combines the things you believe in and the values for which you are willing to sacrifice. The ingredients are there. You are the only one who can put them together into that unique pattern that will be your life. Let it be a life that has meaning and dignity for you.

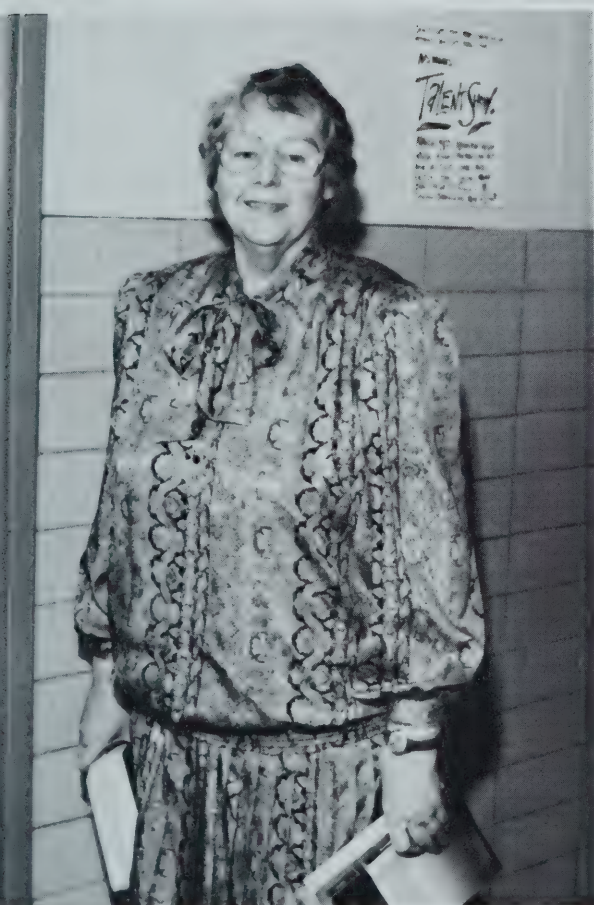

We would like to welcome Mrs. Wheatley-Dyson to Abington High School. Mrs. Wheatley-Dyson came to us this fall and has proved to be extremely concerned about the quality of student life at A.H.S. We would like to wish her the best of luck in the future.

The yearbook staff would also like to extend a special thanks to Mrs. Drew (above) and Mrs. Mahoney. They have always offered to lend a helping hand when it was needed and we would just like them to know it was greatly appreciated.

We would like to thank Mr. Gerald Corcoran, this year's yearbook advisor, for all his help and support. He has been extremely generous with his time and he has always lent us an encouraging word when it was needed. He has tolerated our "crazy" days when we thought we would never be able to finish the yearbook and has taught us to take pride in our work, despite what others may think. Thanks for everything, Mr. Corcoran, we'll never forget you!

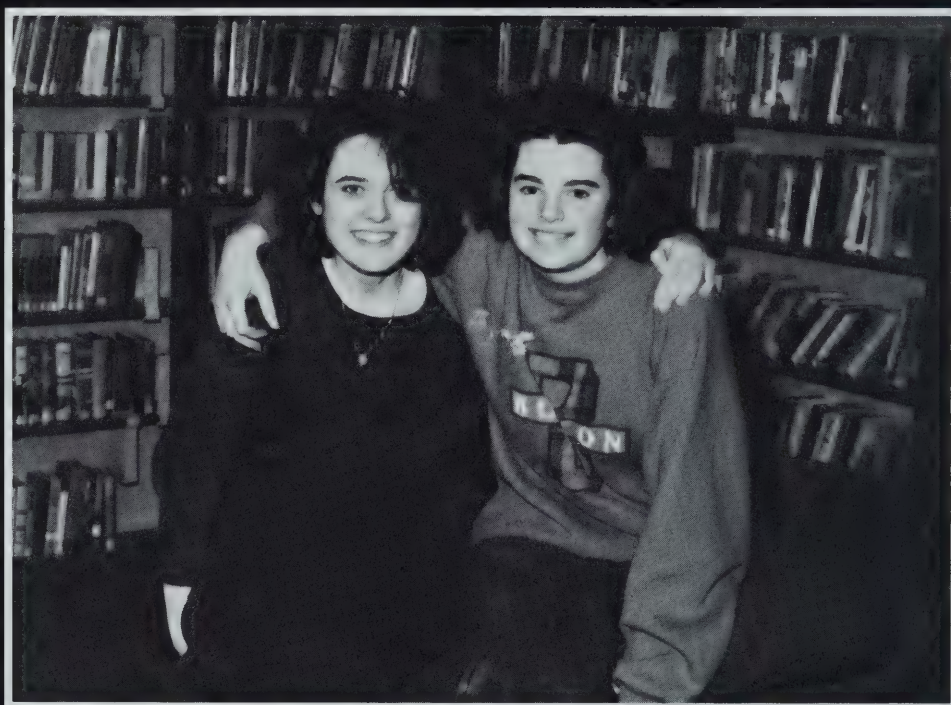

We would like to say a special goodbye to Mrs. Millett, who retired in February of this year. She has been with A.H.S. for many years and will be sadly missed. She has always been willing to help any student in need and has given 110% of herself both inside and outside the classroom. Her unique teaching methods and emphasis on problem solving has prepared many of us for the challenges that lie ahead of us. Best wishes for a happy retirement Mrs. Millett!

This year we must also say goodbye to our foreign exchange student, Yuki Takahara, who has been with us for three years. Yuki has done a remarkable job attending high school in a place so far away from home. In addition to her studies, Yuki has become an honorary member of the National Honor Society and has been involved with the girls' basketball team. She will be missed by many and we wish her the best of luck in the future.

In Memory Of John J. Fava

Sophomore John Fava, or "Fava Kid" as he was affectionately called, died on December 14, 1992. His passing shocked and pained our entire community. The Fava family became a support system for the Abington High School students who knew and loved John, asking us to share our grief by remembering the many good times we spent with him. At his mass, John's grandmother recited a poem she had written herself which reflects her own philosophy about John's life and his death.

Weep not long for John
Though your sorrow be of pain.
God only lent him for awhile,
He chose to call him back again.

He put our John here to do his
will
To share with us his love.
John's work on earth had
ended,
He has gone to pray above.

Our John will be with us always,
Though not on earth we know
But in his heavenly presence
As he prays for us below.

Weep not long for our John
Do not wish him back.
What he has in heaven
This world will always lack.

We know he is truly happy
In his heavenly home.
God chose to call him back once
more
To be his very own.

Death is but a doorway
Where pain and sorrow cease
And life is everlasting
In His Eternal Peace.

Our John lives forever,
In his heavenly place
Where once again we will see
him
And will gaze upon his face.

A SHORT Story

'Twas the night before homecoming
When all through the school
not a creature was stirring . . . not even a Greeny.
The Greenwave had put their football gear away
in order to defeat the Sailors the next day.
The Greenwave was given a wonderful rally
The team said that it was more fun than being at a bowling
alley.

The cheerleaders cheered, the band members played
The football team thought that it was a parade.
The highlight of the night was the senior skit.
What will come next for those seniors? Broadway?
That show was a hit!

After everyone left to rest up for the big game
the gym was empty, until the Sailors came.
Crashing and slamming against the wild waves of the

"Abington Grove",
the Scituate Sailors paddled over from their secure little cove.

What did they want - what was their mean?
Could it be Richella, our Homecoming Queen?
Who was to stop them, the town was asleep
The sailors were good, they didn't make a peep.
The sky was grey - danger polluted the air
and all the homecoming queen did was brush her long hair.
Finally she became aware of her guests

"Oh golly, oh gee!" she screamed at her best.
The Sailors tied Richella in crafty sailor knots
with ropes they had found in dirty parking lots.
"Help me, help me!" Richella was screaming
as she saw Sean Wave and Mike Wave, could she be dreaming?

No, it was true, the Greenwave was there
rescuing their beloved Richella . . . in their underwear!
But it was too late because just as they came
Richella was held captive. They had stolen our dame!
The brave little Greenies must rescue their girl,
so they got in their gamewear and swam off in a whirl.
Racing and swimming like a tidal wave
to rescue Richella, the Queen they must save!
The Sailors were paddling furiously, the Greenies were not far
behind

A storm was a-brewing in Abington; the Grove was the scene of
the crime.

The Greenies finally got to the boat
to bring Richella back home.

They demanded for the sailors to free the Queen
in exchange for a chewed up dog bone.

The sailors refused - they had their own scheme
Whoever won the game would take the homecoming queen.

If that was the deal, the Greenwave was gold
Abington lose a game? What have you been told?

The Wave was confident, they knew they could win
and bring Richella to safety again.

The whistle blew, the game had begun

Sean and Mike screamed that the Sailors were done.

The Sailors kicked the ball - would the greenwave receive?

They caught it, they caught it! They couldn't believe!

They ran to the goal and 6 points they did get.
Richella was free, the Wave had won the bet.
The Greenwave had won, the Queen was free.
The homecoming turned out to be a victory.

And everyone lived happily ever after.

The End

Jen Reale, one
of the
tri-captains of
the
cheerleaders,
wrote and
narrated the
rally story.

ATHLETICS

FOOTBALL

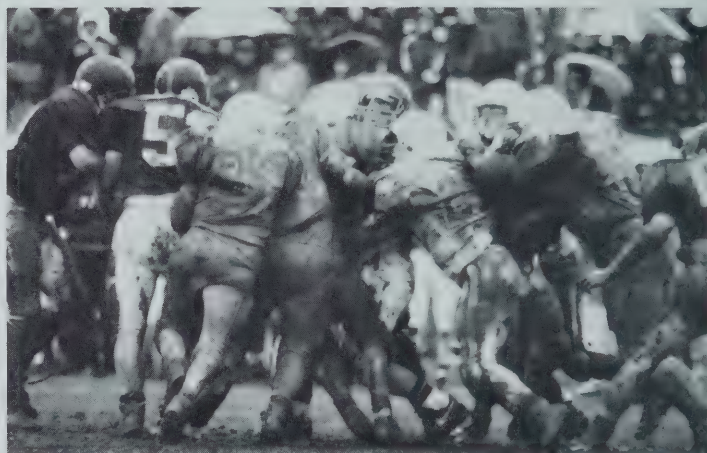

The A.H.S. football team has worked extremely hard and many lasting friendships have been made. As freshmen, 18 boys tried to learn the game under the direction of Coach Thorbald. The next year, 15 boys entered their first varsity year under Coach Kelliher. As juniors, 10 boys entered their second year of varsity in an attempt to help the seniors win the League Crown. In 1992, 8 young men returned to spend their last year with Coach Kelliher. Their destiny would be completed on November 26.

CHEERLEADING

Cheerleader Wendy Bulens roots for the Greenwave at the Thanksgiving Game.

Everyday after school, you will find the cheerleaders in the gym or on the field, practicing a cheer or maybe working on a new dance for an upcoming rally. Although our practices are fun, we are disciplined and work hard at what we do. Everyone on the team contributes their own ideas and helps each other to improve. The six seniors on the squad have continually worked together to choreograph dances and cheers for the last four years. By spending time together, everyone became the best of friends and will look back on their time as an A.H.S. cheerleader with a smile.

GIRLS' SOCCER

With the unfortunate loss of seniors last year, many thought it would be just a rebuilding year for the Abington Girls Soccer Team; but they were wrong. We finished second in the South Shore League, missing the league title by merely a point to Norwell. We were the first team in the league to be tourney-bound, and we finished the year off successful.

Throughout the season we had a lot of good times together and we built many lasting friendships. On behalf of the team, we'd like to thank Coach Kent and Coach Schlichting for making such good times possible. We'd also like to thank all of the parents, for making sure that we didn't go hungry during the season.

In closing, we'd like to give a special thanks to Janet Miller for being such a good sport this season. We definitely missed her on the field, but even on the sidelines she served as an inspiration to the entire team with her outstanding spirit and her fine choice of music.

GIRLS' X-COUNTRY

The last four years of cross country have been filled with success. We have continually earned second place in our league, losing only to Norwell. However, for the past two years we have beaten Norwell in the All-League Meet. Unfortunately these wins did not count towards our record. We also placed second in the Borderland State Park Meet during junior year, defeating over twenty-five other teams on the South Shore. Many of our girls earned medals at Franklin Park and a few have been named League All-Stars. More importantly, great friendships have come about through involvement in cross country.

BOYS' COUNTRY

The boys' team enjoyed a good year. Even though we ended up 3-4 overall and 2-4 in the South Shore League, we had fun. The team was made up of a good bunch of guys who got along great. We had a coach who kept the team together. The molding of the group began at double practice sessions in August. For one week, we started at 6:30 in the morning and again at 11:00. It was an experience! Throughout the year, everyone achieved a personal best time. The team always ran at 110% and with a lot of heart. Individually, Zack Smith went undefeated in the South Shore and then had a great post season. Thanks for the memories guys!

GIRLS' B-BALL

The Varsity Basketball Team enjoyed a successful season, entering MIAA tournament play as the South Shore League Champion. Furthermore, the team sent four seniors to the 1993 All Star Game, including Kim Breivogel, 1000 point scorer and Co-captain Kelly Snow, Co-captain Amanda Walls and Karla Watters. In addition to the talent of its All-Stars, the team attributes its success over the last three years to the guidance of head coach, Mr. Michael Mayhew and his assistant coach, Mr. Domingo Amado. Thanks for another great basketball season!

SPECIAL K!!

BOYS' B-BALL

It was a tough year for the Green Wave to say the least. Almost the entire team was new to the varsity level and although the record stood at 2-16, Captains Brian Carlson and Mike Hazen led their troop with pride. Individual goals were accomplished as Eric Wilson led the team in scoring and John Bradley came back after nearly two years on the disabled list. The highlight of the season for the fans was the big Pack the Place defeat of Eastgewater. The highlight for the squad would have been their visit to a Boston Celtics practice at Brandeis University.

ICE HOCKEY

The Green Wave Hockey Team finished the 1992-1993 season with a record of 12-6, and qualified for the state tournament for the fourth consecutive year. The team had a well-balanced offense led by Co-captain Chris Burke and All-Stars Jim Baggett and Marc Barry, and a powerful defense led by two-time All-Star and Co-captain Mike Barrett and Mike Connolly. Senior goaltender Janet Miller played consistently, exceeding expectations. Coach Marhoffer looks to a bright future with several underclassmen including 1993 All-Star Kevin McGrath.

GOLF

The Abington Golf Team has captured the title of South Shore League Champion for two of the last three years. The team finished their winning 1992 season with a tremendous record of 10-1-1. A.H.S.'s 1993 team, led by senior Mike Barrett, won for a third title. Coach Corcoran has high hopes for the high school's golf program and looks forward to grooming underclassmen to lead future teams to the coveted league title.

GIRLS' TRACK

Everyone agrees that track is hard work, but the AHS team found ways to get around it. We played Ultimate Frisbee on the hottest days of the season and fart lick in the Grove. Of course, there are always consequences when you get caught cutting a route. Going to Dairy Queen was one of our worst punishments. Although we were not first or second in the league, we still worked hard and had a great time. The entire team would like to thank Coach Porter and Coach McMann for all the memories.

BOYS' TRACK

AHS team, one meet away from the coveted South Shore League title in 1992, remains a powerful contender for the title in the future. The 1993 team, captained by seniors Neil Bello, Marc Barry and Greg Belcher, was a young squad, but one which took the task of filling the shoes of last year's seniors head on. The entire team would like to extend their thanks to Head Coach Schlichting and Assistant Coach [Name] for the guidance and leadership each has given so willingly.

GIRLS' TENNIS

We would like to thank Mr. Murphy for being there these past four years and Mr. Prizzio and Mr. Madaio for the time they have put into the girls' tennis program. We may not be among the top contenders for the league title, but we work hard and have a good time while doing it. Good luck to everyone in the years ahead. It's been fun!

ACTIVITIES

Time OUT

After a long day at school, many of the A.H. students take time to participate in the many extracurricular activities that the school has to offer. Whether it be giving of themselves to help others as a peer leader or National Honor Society tutor, exploring the great outdoors with Mr. Hart in the ecology club, perfecting their talents in the band and show choir, or producing the yearbook or newspaper, students always seem to be working hard and enjoying themselves at the same time. We dedicate this section to those who belong to and oversee these organizations that help enrich the atmosphere at A.H.

YEARBOOK

Over the past four years, seniors have performed in band concerts, choral concerts, musicals, jazz festivals, and solo and ensemble concerts, in parades. We've practiced, planned, travelled, laughed, and cried. We've been a band, a chorus, a cast, a team, a family. Two brief messages from the music staff: Well done and We'll miss you.
